IMPROVEMENT PLANS
IN THE CITY OF BROOKLYN, OHIO 44144

4/30/2014 NOTICE

This is a revision (due to weather) of the previous public notice dated 4/28/14. On Saturday, May 3rd, 2014, at 2:00 AM weather permitting (alternate day Sunday 5/4/14), Perk Company, Inc. will place the curb lane on the West side of Ridge Road from School Dr. to Ira Ave. Side streets currently closed will remain closed. Biddulph and Ira will remain open. One lane of traffic in each direction on the east side of Ridge Rd. will be maintained from Outlook to Ira **except where the pavement placement is occurring** which will be reduced to one lane of traffic alternating between east and westbound controlled by off-duty police officers. **Significant delays should be expected.** Additional notices will be sent as the project progresses. The adjacent lane will be placed Wednesday 5/7/14 at 2:00 AM weather permitting (alternate day Thursday 5/8/14) with the same maintenance of traffic as the curb lane.

This will be done to accomplish Section 2, Phase 1 work on the West side of the road. Message boards will be placed prior to the zone implementation to inform the public of the forthcoming change in traffic pattern and the continuation of construction.

THANK YOU FOR YOUR COOPERATION DURING THIS IMPORTANT PUBLIC IMPROVEMENT.
