I continue to have a working relationship with several area rescues and this network allows me to place all of my adoptable animals. No adoptable animals were euthanized- they were either transferred to rescue or adopted to families at no cost to the adopter. Rescues that have helped are PAWS, Canine Lifeline, Fido's Companion, Marilyn's Voice, Elite K911, Island Safe Harbor Animal Sanctuary, and Sanctuary for Senior Dogs, Friendship APL, Life's Little Adventures Farm, the Cleveland APL, and the Cuyahoga County Kennel.

The Lake Erie Nature and Science Center continues to be a valuable resource. Anytime I have a wildlife question they are always immediately available to educate me. Not to mention being there to take injured wildlife at no cost.

Lakewood Animal Hospital has continued to provide outstanding service and always accommodates me when I have an emergency. They continue to be very good to the City and also continue to donate supplies for the animals.

Last but not least my 2 volunteers, Sharon Lonjak and Melissa Elsbury, who help care for all of the animals as needed and regularly donate not only their time but supplies such as food, litter, toys, bedding, collars, etc... They have been an unbelievable asset to this Department and the City. Sharon has done ALL of the laundry for the animals which is never-ending and is almost always available and willing to come up at night when needed. Melissa raised a few hundred dollars and got food and supplies donated by her coworkers including 47 pounds of litter, 25 cans of cat food, 33 pounds of dry cat food, 9 pounds of dog food and various treats, toys, cleaning supplies, etc... Earlier in the year our local Pet Supplies Plus gave a large donation of damaged and expired products consisting of 195 pounds of litter, 36 pounds of cat food and 455 pounds of dog food. Some of this was given away to residents in need or rescues taking the strays. There are also donations of food, litter, bedding, etc... donated by residents and people dropping off strays.
