RE Rodoan Road Reconstruct

Dear Resident:

Construction of the 2017 Rodoan Road Reconstruct has begun. As part of this project it has been determined that the curb and aprons is in need of replacement. Assuming good weather, the process will take approximately 7 to 10 working days. Residents will not be able to access their drives during this period. **Please do not park on the street from 7 am to 5 pm. Parking in the zone is permitted from 5 pm to 7 am.**

Please have all vehicles removed from your driveway prior to 7:00 AM on Thursday 9/28.

We apologize for the inconvenience and ask for your continued cooperation during the duration of the project. Any special needs of the residents should be brought to the attention of the city so that proper arrangements can be made concerning access. Questions and concerns on the project should be addressed Tom Moran. He can reached at 440-668-6255

Thank you in advance for your cooperation. We look forward to the successful completion of this project
