Chairman Balbier: A request from Brilliant Electric Sign Co., LTD to install a three foot five inch by twenty foot three inch electronic message center illuminated sign to be located at 4832 Ridge Road P.P. # 433-15-010. Commissioner Ockington: The sign does not require any variances. I did inquire with the Police Chief whether he had any concerns being a traffic hazard. The Chief does not feel that it should be a problem. Mayor Balbier: I spoke to the Fire Chief and Safety Director and they both feel there should be no problem with this request. Mayor Balbier: What is currently at that location? Commissioner Ockington: There is a brick wall. Brilliant Sign will be mounting the sign cabinet on that wall. Ray Porterfield: Are you taking the center out of the brick wall? Major Harrison from Brilliant Sign: It will be mounted within the details of the structure of the brick. It is not protruding into the brick. It is somewhat recessed so the cabinet fits flush mounted. The plans were examined by the committee. After further discussion a motion was made by Mayor Balbier, second by Ray Porterfield to approve a request from Brilliant Electric Sign Company to install a three foot five inch by twenty foot three inch electronic message center illuminated sign to be located at 4832 Ridge Road P.P. # 433-15-010. **Vote Resulted:** Yes - Mayor Balbier, Ray Porterfield, Joe Polidori.
