FENCE INSTALLATION NEIGHBOR SIGN OFF

Address where fence is being install: _____

When a fence installation is proposed in which a portion of the fence will encroach upon adjoining property, an additional fence permit shall be secured by the applicant property owner and/or registered contractor for the portion of fencing on an adjoining property.

If the additional fencing is **less than ten (10) lineal feet, the permit fee shall be waived.**

All fences must be installed entirely on the owner's property. Fences may abut at the property line, but shall not be attached to the adjacent fence. Fences are the property of each land owners. The present or future real property owners may remove this fencing at his/her discretion without prior notification to the adjacent property owner.

The City of Brooklyn assumes no liability regarding the exact location of the real property line, the verification of which is the sole responsibility of the installer(s) and/or property owners.

I have read and understand this fence policy, and agree to abide by the specified conditions:
