

Brooklyn is proud to announce that it has continued participation in the Heritage Home Program<sup>sm</sup> for the 2016 calendar year. The Heritage Home Program<sup>sm</sup> is a specialized house maintenance and rehab program for owners of homes that are 50 years old or older. The program is administered by the Cleveland Restoration Society (CRS).

If your house in Brooklyn is at least 50 years old, you have access to:

**1. Free Technical Assistance:**

- a. A site visit conducted by Heritage Home Program staff to help advise on maintenance or improvement projects
- b. Assistance finding contractors for projects
- c. Help reviewing estimates from contractors
- d. Color consultations for exterior painting

**2. Low-Interest Financing to Cover Project Costs**

- a. Fixed-rate equity loans as low as 2.0%
- b. Most projects qualify, both interior and exterior

The free technical assistance and advice offered by the Heritage Home Program<sup>sm</sup> is completely impartial and independent. CRS does not have any products or services that it sells to the homeowners and does not charge the homeowner for the advice.

The Heritage Home Loan is based on the equity in your house. These loans are made by Key Bank to homeowners that are improving their houses as certified by CRS. The loan can be taken from 5-10 years, with a fixed interest rate of 2.0%.
