GRAND OPENING & RIBBON CUTTING CEREMONY
LOVING CUP KIDS ACADEMY OF BROOKLYN

Brooklyn, Ohio, March 21, 2013 – Area residents are invited to join the City administration for the grand opening in Brooklyn of Loving Cup Kids Academy of Brooklyn. This project transformed a vacant twenty-year old former public library building into a full time Child Care Center. The grand opening is scheduled for **10 a.m. at 4476 Ridge Road, Brooklyn, Ohio 44144**. This new center brings approximately 20 new jobs to the area, new investment of \$400,000+, and will be open from 6 a.m. to 12 midnight, Monday through Saturday.

This collaborative effort involved the Cuyahoga County Land Bank, the City of Brooklyn's Community Improvement Corporation, the Cuyahoga County Public Library, and ClevelandTech Solutions, LLC, all working in tandem to transform the former Cuyahoga County Public Library into a new privately owned development show piece.

"I am pleased to welcome the Loving Cup Kids Academy to Brooklyn. I am sure they will become a great corporate neighbor within the community. I applaud their efforts in restoring a 20-year old vacant building and turning it into a child care facility. I also want to thank the Cuyahoga County Land Bank and Cuyahoga County Public Library for participating in this project. Without their assistance, this project would not have come to fruition," said Mayor Richard Balbier.

Dr. Anju Agarwal, the new owner, commented that "Loving Cup Kids Academy is pleased to be in the City of Brooklyn and part of the community. Loving Cup Kids Academy of Brooklyn will provide the best care to the community's kids with our slogan: *Love, Learn and Fun*. We are thankful to the administration of the City, with their committed efforts, this project came to completion. We are very excited to work and be a part of this community."

Access is immediately off Ridge Road and parking is available in the overflow parking lot of the Brooklyn Cuyahoga County Public Library.
