

WHAT IS HARVEST FOR HUNGER?

Harvest for Hunger is one of the largest food and fund drives in the United States. In 2015, more than \$4.8 million and over 400,000 pounds of food were collected, providing more than 19.6 million meals to hungry men, women and children in 21 counties. Harvest for Hunger is a collaborative effort of four area food banks serving the food insecure in Northeast and North Central Ohio.

WHO DOES HARVEST FOR HUNGER HELP?

The Greater Cleveland Food Bank provides services in six counties including Cuyahoga, Ashtabula, Ashland, Lake, Geauga and Richland. More than 44% of the people served are children and seniors, 23% have at least one person living in their home who is in poor health, and 64% of households must choose between paying for food and paying for utilities.

Food and funds donated through the Greater Cleveland Food Bank's Harvest for Hunger campaign are distributed to more than 800 local hunger centers throughout our six county service area.

HOW CAN I HELP?

We're so glad you asked! You can host a food and funds drive at your school, business, or organization in the spring of 2016. All proceeds from your drive help feed families and individuals in our six-county service area. While we gladly accept food donations, we encourage you to raise funds in lieu of food due to the Food Bank's incredible purchasing power. For every dollar donated, the Food Bank can provide four nutritious meals for our neighbors in need!

CAN I VOLUNTEER FOR HARVEST FOR HUNGER?

Of course! The Greater Cleveland Food Bank has volunteer projects available for individuals ages 12 and older. We can accommodate groups of up to 20 people. One of our most important projects involves repackaging donated food. Please contact our Volunteer Services Department at 216.738.7240 or visit GreaterClevelandFoodBank.org/volunteer for more information or to sign up for an available shift.
