### About Get Moving Brooklyn

The Get Moving Brooklyn Coalition began meeting in 2009 to develop a School Travel Plan under the guidance of the Ohio Department of Transportation's Safe Routes to School program.

Since developing the Travel Plan, the group has applied for and received \$300,000 for initiatives within the 5 E's (Encouragement, Education, Evaluation, Enforcement and Engineering) of the Safe Routes to School

program. The group has initiated many community and school improvements and programs to increase safe walking and biking to school in Brooklyn, Ohio.
