2019 Baron Cup & Sectional Games

There is the schedule for both. Good Luck to Brooklyn Hockey this year.

BRC Learn to Swim Flyer

The new Pool Manager is changing up the programs. It will be cost efficient for lifeguards but same amount of classes and children. Parent & Tot and Level 1 remains the same. Level 2 instead of having 3 different classes will now be Level 2, 3, and 4. Level 5 and 6 will be pre-swim team. Swim Team signup not yet.

Zumbini Flyer

We have a contract for this new program. Zumba with children and parents. At 6:45 p.m. on Mondays after Jazzercise Upstairs Community Room. It is a 70/30 split. Starts in March, 2019. The instructor has her own insurance just needs the room.

PT Program Coordinator

We had 5 applicants and 3 were interviewed but none fit our needs. Maria called other Recreation Centers for their organizational flow charts. Allison asked what they are looking for. Maria explained that she has a maintenance worker doing the Basketball program and that Rebecca is going to help with the soccer program. The younger soccer players practice on Friday night and have games on Saturdays.

Open Forum

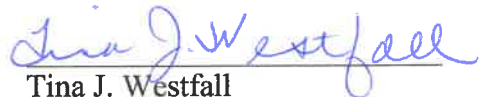

There will be concerts in the park this summer on Wednesdays during June, July, and August. We have Funkology on July 10, 2019. We are looking into the School of Rock and a Polka band. Hennings asked about having a movie night. Maria explained you have to buy the rights to the movie and hire a company for the screen. Disney movies are very expensive and screen was \$599.00 to rent. Maria said we could have one at the pool and watch on rafts but the pool would have to be dark. Maria asked the new member, Mike Wrost if he had any questions but his question about swim team was answered.

MOTION by Hennings, seconded by Tanski to adjourn at 7:13 p.m.
