

July 19, 2021:

**To: Brooklyn Recreation Center Patrons**

**Re: New Parking Lot Construction**

EFFECTIVE: JULY 26-OCTOBER 31 (Tentative Schedule)

As part of the City of Brooklyn Civic Center Project, a new parking lot will be constructed in the SOUTH grass area by the main entrance. Our existing lots and drives are being renovated as well. The only accessible vehicle entrance and exit for the recreation center will be located off NORTH AMBER DRIVE by the baseball diamonds.

Patrons will drive to the rear (NORTH) of the building and park in the WEST lot adjacent to the pool and enter through a temporary entrance by the kiddie pool feature. The main entrance and current handicap parking spaces will not be accessible. Temporary handicap spaces will be available in the WEST lot. Patrons will be able to check in at the temporary entrance reception desk for all activities, membership purchases, and other transactions.

This temporary entrance will be the main point of entry for patrons using the pool and ice rink for the next 3 months. We will evaluate ice rink and pool user groups as needed should additional accommodations be necessary.

A diagram explaining these logistics and future locations of our new lots is available online at [www.brooklynohio.gov](http://www.brooklynohio.gov) and [www.brooklynrec.com](http://www.brooklynrec.com). We know this will be an inconvenience for many but we ask for your cooperation during this time.

Please contact Brooklyn Recreation Center management with any questions.

Respectfully,

*Jack M. Abbruzzese*
